

ENVIRONMENTAL SERVICES
6616 WALNUT ST.
FRISCO, TEXAS 75033
PHONE: 972-292-5900 FAX: 972-731-4946

Attached is the application to request a commercial construction dumpster, a copy of the service rules, and an explanation of the construction waste service deposit (all forms require a signature).

A deposit of \$1000.00 (per dumpster) is required when the application is submitted (Cash, Check, or Credit Card {Master Card, American Express, or Discover Card} with a 2% convenience fee). Any remaining balance is mailed to you as a check within 2-4 weeks of final bill.

The rates are as follows:

Hauls - \$199.45 + tax per haul

Tonnage (disposal) - \$41.00 per ton

Fuel – There is currently no fuel adjustment at this time.

Rental - \$3.50 per day

Delivery/Unable to Haul/Relocate Container - \$75.00

Dumpster can be delivered to site by end of next working day, if application and deposit are received by **2:00 p.m.**

PLEASE NOTE:

All balances (includes all activity) must be **paid in full** before container(s) will be removed. We recommend inquiring about account balances for Final Removal in advance to allow adequate time to send payment prior to removal date. No final removals will be done while balances remain in the account.

If you have any questions, please contact us at EnvironmentalServices@FriscoTexas.gov.

LOCATION TO SET – _____ (Cannot accept "Call for Placement")

Note: Per city ordinance # 06-20-110, no waste concrete or metal shall be disposed of in a landfill. All unused concrete and metal shall be kept clean and stored separately in containers on site. To comply with city's waste diversion requirement contact Environmental Services Construction Specialist at 972-292-5915 for an assessment of your projects/sites needs. Recycling services are also available.

UPON COMPLETION OF REGISTRATION AND RECEIPT OF PAYMENT, CONTAINER WILL BE DELIVERED BY THE END OF THE NEXT WORKING DAY. NO WEEKEND DELIVERIES UNLESS SPECIAL REQUEST IS MADE TO ENVIRONMENTAL SERVICES, 972-292-5915.

All balances (includes all current activity) must be paid in full before container(s) will be removed. Services will be put on hold if payment is not received by billing due date. The City of Frisco and Progressive Waste Solutions do not accept responsibility for any damages incurred to property as a result of servicing containers.

For Placement or Service Questions, call 972-292-5900 or email EnvironmentalServices@FriscoTexas.gov.
For Billing or Account Information, call 972-292-5521 or email EnvServicesBilling@FriscoTexas.gov.

Open Top Service Rules

Please read, sign and return with application.

The City's contracted service provider for construction waste/debris services is Progressive Waste Solutions.

To place an order for:

A Dump and Return OR A Dump and No Return

Call Environmental Services at 972-292-5900. *Please have account # available to expedite service.*

Orders must be placed no later than 2 p.m. on regular business day. Service can be provided the next business day for most requests (limited Saturday service, no service on Sunday and recognized holidays when landfill is closed). Exact times of placement or removal are not available.

Use of container

- Load container evenly. Container's contents must not exceed top rail.
- The maximum legal weight limit on any open top is 10 tons. Containers loaded over 10 tons (20,000 lbs) cannot be hauled and must be unloaded by the customer.
- Dirt, roofing, ceramic tiles and carpet are dense and heavy; ¼ to ½ full containers may exceed 10 ton limit. Container must be offloaded before service can occur.
- The container must be placed on a hard, level surface.
- A minimum clearance of 22 feet overhead and 30 feet in front of the container is required.
- Problem waste, tires, hazardous materials, appliances containing Freon (must be tagged Freon free in accordance with state requirements) must be removed before service can occur.
- Customers must ensure that private property can withstand the weight of the truck (approx 30,200 lbs) plus the weight of the filled container.
- No liquids are allowed in container.

Service charges

Unable to haul

To avoid unable to haul charges, your container must meet the following requirements at time of collection.

- Vehicles or other obstructions must not block access to container.
- Contents must not protrude or be higher than top of container.
- Container must not be overloaded (too heavy to haul).
- Container must not be placed on a gravel roadway. Muddy conditions, due to inclement weather, may prevent pick up.
- Loads must be free of contaminants. No liquids, paints, hazardous materials, automobile parts, tree stumps, or animal carcasses are allowed in the container.

Relocate

Customer may call The City to request a container be moved to another location on site. This will require a special trip by Progressive Waste Solutions to complete job (relocate charge of \$75.00 will apply).

Notice

Overloaded containers that are filled beyond the top or are too heavily loaded to pull safely onto the truck are the responsibility of the customer. Customer will be required to unload the container until it reaches the point that it can be safely transported by Progressive Waste Solutions. The City and Progressive Waste Solutions retain the right to determine the safety of the transportation of any container in dispute.

Customers will be held accountable for any damage caused by the improper use of container/s.

The City and Progressive Waste Solutions do not accept any responsibility for any damage caused to property as a result of servicing container(s).

Recycling services are also available, contact Environmental Services, James Emory 972-292-5915 for more information.

EXPLANATION OF CONSTRUCTION WASTE SERVICE DEPOSIT

All customers are required to pay a deposit for construction waste services.

Customers are required to pay all charges associated with this service before the container(s) will be removed. Customers may not use the deposit balance to pay any portion of their bill(s) or activity prior to the final haul. The deposit will be applied to the charges from the final haul. If a refund is due, a check will be issued within 2-4 weeks of the customer's receipt of the final bill.

For questions regarding billing, please email EnvServicesBilling@friscotexas.gov

The city's contracted service provider for commercial construction waste/debris services is Progressive Waste Solutions. Use of unauthorized contractors will result in penalties/fines.

Rates and Fees for Construction Waste Containers

Residential Rent - a - Bin (8 ft wide x 8ft deep x 5 ft tall)

Size in cubic yards	Haul Fee (includes disposal)	Daily Rental	Delivery / Unable to Haul Charge
6	\$199.45	\$3.50	\$75.00
<i>Note: City charge includes one (1) haul, one (1) delivery, three (3) days rental and one and a half (1 1/2) tons in disposal cost.</i>			

***Sales tax and fuel adjustment fee are NOT included. Please apply 8.25% for sales tax. There is no fuel adjustment at this time.**

Commercial Open Top (Roll-Off) Container Services

Size in cubic yards	Dimensions	Haul Charge	Daily Rental	Delivery Charge	Unable to haul	Relocate Fee	Disposal Fee (per ton)
20	22 ft long x 8 ft wide x 3 ½ ft high	\$199.45	\$3.50	\$75.00	\$75.00	\$75.00	\$41.00
30	22 ft long x 8 ft wide x 6 ½ ft high	\$199.45	\$3.50	\$75.00	\$75.00	\$75.00	\$41.00

A fuel adjustment fee will be charged monthly. There is no fuel adjustment fee at this time.

In addition to haul charge, the City will bill customer's account for disposal of container contents. A \$41.00 cost per ton will apply.

To set up account customers must fill out an application form. Forms are available online at www.friscotexas.gov (Select Environmental Services Department – new construction waste services) or M-F 8am-4pm at the Environmental Services Department, 6616 Walnut Street Frisco, TX 75033.

Per city ordinance #06-11-119 a security deposit is required for each account. Amount of deposit will be on a case by case basis from information provided on application form: number of containers requested, estimated number of rental days and hauls. Minimum deposit required \$1,000.00.

Payments can be made by check, cash or credit card (a 2% service charge applies). Before application can be approved, payment must be made in person Monday through Friday 8am-4pm to the City of Frisco, Environmental Services Department, 6616 Walnut Street, Frisco TX 75033 or by mail to City of Frisco, C/O Environmental Services, 6101 Frisco Square Blvd, Frisco TX. 75034. Container will be delivered by the end of the next working day after approval. (Weekend deliveries by request only)

To order services or dump and returns, contact the City of Frisco Environmental Services at 972-292-5900 or email at EnvironmentalServices@FriscoTexas.gov. To disconnect services, contact the City of Frisco Environmental Services at 972-292-5900 or email EnvServicesBilling@FriscoTexas.gov. You must reference your construction waste services account number when you call in.
